Docket No. 98-N-1265
Food and Drug Administration
5600 Fishers Lane Room 1061
Rockville, MD 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: The prescription provided to me by the specialty pharmacy is not available from any local pharmacy in my state. I am very concerned that this limitation would compromise my quality of life by restricting my ability to obtain medication my doctor has prescribed and that I need. I have a right to choose where and how to get the medication I need. M.L.
